

My name is Deepa Madan and I am the Director of Throsby OSHC. I have over 9 years experience in Early Childhood Education and Care. The most rewarding part of my role is watching children develop skills in resilience and positivity.

My name is Boya Zheng - I am your Assistant Director. I have worked in Early Childhood Education and Care for 7 years. I love working with children, creating a positive environment and celebrating little things with them everyday.

Our service offers before school care & after school care to children from Kindergarten to Year 6 who attend Throsby School. For the school holiday program we offer places to children from Preschool- Year 6.

THROSBY SCHOOL

Program:

Children have access to a wide range of resources such as board games, construction, art and craft, books, small world and dramatic play. Children can choose from a number of clubs including: language, art/craft and sports clubs that run within the program.

Communication:

We communicate using app based software - OWNA - which allows educators and families to communicate about children's participation in the program and to receive service information. The app manages accounts and billing and allows families to mark children absent or to book casual sessions. We encourage families to download the app.
