

Swimming Carnival with Franklin School

Expression of Interest

Dear families,

Our competitive swimmers aged 8yrs-12yrs (students born in 2016 or earlier) have been invited to join the Franklin School Swimming Carnival on Friday 1st March 2024.

This opportunity is only for those swimmers who can successfully swim at least 25m and want to compete in races. All students will need to complete a water proficiency test at the beginning of the day before they can compete. A member of the Throsby School staff will be there to accompany our students on the day.

We are asking families to complete this expression of interest if they would like their child to attend and compete. This will help us in our planning. A permission note with more details on the events will be sent to those families soon.

We are aware that this date clashes with our Year 5/6 camp to Birrigai. Those students are able to submit their qualifying times to School Sport ACT in order to gain qualification to the Regional Swimming Carnival.

Date/time:	Friday 1 st March 2024 – times TBC
Where:	Dickson Pool – 152 Cowper St, Dickson, ACT
Transport:	Families are required to drop off and pick up from the venue
Cost:	TBC (\$5-\$15 to cover entry to the pool).
Staff contact:	Mitch Bartholomew

Notes to be returned to the front office by Friday 9 February 2024. Notes will not be accepted after this date.

Kind regards,

Annamaria Zuffo
Principal

Swimming Carnival with Franklin School – Expression of Interest

My child _____ in class _____ is interested in competing at the Franklin School Swimming Carnival on Friday 1 March 2024.

- I understand I will need to provide transport to and from Dickson Pool.
- My child is able to swim 25m unassisted and I understand their participation is subject to them completing the water proficiency test on the day.

Name of parent/carer (please print): _____
