

Dear Families

At Throsby School we focus on play-based learning for our preschool students. The ACT Education Directorate provides funds to the school to distribute into learning area budgets. The cost of additional stationery and consumables used is not directly funded by the Directorate. Each child at Preschool is provided with stationery to support their year of learning. To avoid the need for you to source and supply stationery/consumables for your children for the 2024 school year, the school arranges bulk orders from approved ACT Government suppliers. These companies supply quality materials. The resources purchased using these contributions will cover supplies for the entire year.

**The cost per student for the 2024 school year is \$100.**

The items that will be purchased include library bag, sunscreen, threading items, paint brushes, cooking ingredients, textas, glue, scissors, crayons.

Payment can be made at your earliest convenience via the attached methods. We thank you in anticipation of your support. We will not ask families to purchase stationery requirements where this causes a financial hardship. Funds from the Directorate are given to Throsby School to support students accessing school activities and supplies when it is required. This is done quietly and sensitively throughout the year whenever the need arises. Please contact myself or Susie, our school Business Manager on [ThrosbySchoolInfo@ed.act.edu.au](mailto:ThrosbySchoolInfo@ed.act.edu.au) if you would like to discuss.

Regards

Annamaria Zuffo - Principal
