

Throsby School

Dress Standard and Colour Codes Policy

Purpose

This policy outlines how the school will implement the ACT Directorate of Education DRESS STANDARDS AND UNIFORMS IN CANBERRA PUBLIC SCHOOLS POLICY. Policy Identifier: DSU201608 August 2016

Definition

In this policy: 'uniform' refers to clothing that meets the dress standards requirements set by the Education Directorate and is identifiable with Throsby School through the use of any or all of the following: the school logo, the school's name or any or all of the school colours – bottle green and black.

Rationale

All schools are required to have a Dress Standard and Colour Code policy.

Throsby School's ethically sourced uniform is a bold community identifier. The design is comfortable and practical, inclusive of all body types and cultural needs and appropriate for all school activities. Students can choose to wear pieces that suit their needs, regardless of gender.

All students are required to be in full uniform when attending school and representing the school offsite.
